

Wildflower Photography Workshop

Take your flower photography to the next level

August 26-27, 2017 (1.5 days)

Bear Mountain Lodge, Silver City, NM

\$99.50 + 7.5% (\$7.46) NM tax = \$106.96

Limited to 10 attendees

Register or more info: 505-480-7621, ingham@keninghamphoto.com

The class will be a combination of technique discussion and photography in the field with Kenneth answering questions as you take photos.

Topics include:

- Where and when to find flowers
- Composition
- Using your camera
- Controlling the background
- Lighting flowers: natural and artificial light; modifying light(s)
- Macro tips, including focus stacking

Audience:

Novice through intermediate photographers. Or, anyone who wants to have a fun trip to a great venue and go out and take beautiful flower photos.

Bring:

- Your camera
- Tripod if you have one.
- (if you own it) supplemental lighting such as a flash, speedlight, off-camera light cables, reflector, diffuser, etc. Do not worry if you own none of this.
- Your camera manual.
- Your laptop for downloading and processing photos and a flash drive for giving your favorites to Kenneth to display for the group.

Come prepared to take your camera outside and take photos.

About the instructor:

Kenneth Ingham is an award-winning photographer who has taught many workshops and classes. See examples of his photos at <http://www.keninghamphoto.com/wildflowers2017/>

Kenneth will be staying at the lodge and encourages participants to also stay there.

Food, lodging, and travel is not included.
